

2024–2025 flu vaccine program

The program

Priority for preorders

Get ahead of the demand for vaccines. Preorder by April 15, 2024, to receive priority shipping based on manufacturer shipping schedules.¹

Price protection

Rest assured you'll get your lowest authorized price from product order to product shipment date – including GPO contract pricing, if applicable.

Flexible returns

You can return vaccines² down to the individual syringe to minimize the risk of being left with product that you can't use.

Ordering convenience

Order anytime from wherever you are with convenient options including online, email, phone, or fax.

Knowledge

Your dedicated flu team is here to assist you throughout the entire season.

¹Flu vaccine preorder terms and conditions

Preorders may be modified until May 31, 2024. Starting June 1, 2024, preorders and orders will be considered firm and non-cancelable. Flu vaccines ship based on availability from the manufacturer. AmerisourceBergen or its entities will not be held liable for product unavailability, shortages, or delays. Terms and conditions are subject to change without notice. View our full [2024–2025 flu vaccine terms and conditions](#) for additional details.

²AmerisourceBergen accepts return requests for unused doses for credit at the end of the season based on manufacturers' terms and conditions. Please note that all return requests must comply with the terms listed in our flu vaccine return policy to qualify for return credit.
